

# PEACE by PEACE Women on the Frontlines

This feature-length documentary, narrated by Academy Award-winning actress Jessica Lange, celebrates the work of women peace builders worldwide. Filmed in Afghanistan, Bosnia-Herzegovina, Burundi, Argentina and the US, it takes viewers into the lives of ten courageous and compassionate women working to build peace out of conflict and crisis.

Also showing will be the 16-minute video *Peace by Peace: The Power of Circles*, an exploration of the process of creating, and the benefits of working, “in circle.” Women explain how, coming together in person and over the Internet, they are transforming the world into a new culture of compassion and understanding that lays the foundations for peace.
