

The END of SUBURBIA

**Oil Depletion and The Collapse
of The American Dream**

The End of Suburbia is an engaging, entertaining and sobering film about the coming collapse of plentiful, cheap oil. With brutal honesty and a touch of irony, *The End of Suburbia* explores the American Way of Life and its prospects, as the planet approaches a critical era, as global demand for fossil fuels begins to outstrip supply. World Peak Oil and the inevitable decline of fossil fuels are upon us now, some scientists and policy makers argue in this documentary.

Free Film Night

Friday November 4th

Maui Community College

Ka Lama 103 7:00 pm

Public Welcome

Sponsored by Maui Peace Action and MCC Peace Club
