

THIS IS WHAT

DEMOCRACY

LOOKS LIKE

A co-production of the Seattle Independent Media Center and Big Noise Films, *This Is What Democracy Looks Like* is a 70 minute documentary capturing the events of the 1999 anti-WTO protests in Seattle.

Cut from the footage of over 100 media activists, the film marks a turning point in collaborative filmmaking and achieves a scope and vision possible only through the lenses of over 100 cameras.

With a driving soundtrack including Rage Against the Machine, DJ Shadow, and Anne Feeney, as well as narration by Susan Sarandon and Michael Franti, *This Is What Democracy Looks Like* delivers an intensely political and emotional account of a week that changed the world.
