

PEACE PROPAGANDA

& THE

PROMISED LAND

U.S. MEDIA & THE ISRAELI-PALESTINIAN CONFLICT

Friday, March 12th
Maui Community College
Ka Lama Building Room 103
7:00 pm

Free
Public Welcome

This pivotal video exposes how the foreign policy interests of American political elites—working in combination with Israeli public relations strategies—exercise a powerful influence over news reporting about the Middle East conflict. Combining American and British TV news clips with observations of analysts, journalists, and political activists, *Peace, Propaganda and the Promised Land* provides an historical overview, a striking media comparison, and an examination of factors that have distorted U.S. media coverage and, in turn, American public opinion.
