

Dalai Lama: the Soul of Tibet

You are invited to learn about the life of one of the world's most admired men, the spiritual and secular leader of the Tibetan nation which today exists only in exile.

Included in the informative film are interviews with Chinese scholars, with Tibet activists including actor Richard Gere, and with His Holiness himself regarding the long struggle to free Tibet.

Following the one-hour film, a speaker from the Maui Dharma Center will answer questions about His Holiness the Dalai Lama, who will be visiting Maui later this month, and about Tibetan Buddhism and its struggle for existence in Chinese-occupied Tibet.
